Major Tech's Universal 4-In-1 Crimping Tool is a versatile and compact tool designed for multiple functions. It can cut and strip cables, thanks to its built-in stripper and cutting tool. Additionally, this tool is capable of shearing small bolts. For crimping, it accommodates terminal sizes ranging from 1.5mm² to 6mm². With a length of 200mm², a 20mm² head, and a 70mm² handle, it's a handy addition to your toolkit for a variety of tasks.

Features

- Cuts & strips cable
- Built-in stripper and cutting tool
